

2024 Pit Stalls

- For the 2024 Season, Pit stall reservations for all returning teams from 2023 will cost **\$100 through January 31, 2024** and will be assigned as your last year's stall. **The reservation will not be completed unless your payment and form are received by January 31, 2024.**
- After January 31, 2024 all pit stalls will cost **\$125** and be open for any team for the pit stalls remaining. **The reservation will not be completed unless the money and form are received by March 31, 2024.**

Reserved stalls will not be honored during touring series events.

If your car is not present the stall will be used at the officials discretion.

It is requested that Late Model parking occurs in stalls 1-26. All other parking arrangements may be adjusted to accommodate car count but reserving a pit stall will lock in your spot.

You will only be allowed to reserve one spot per car at this time.

From February 1st to March 31st prior to mailing payment please email jennerstownpit@speclin.net or call or text 814-483-6127 and leave a message before submitting payment to ensure your stall is not taken. Any driver not purchasing a spot will be parked at the speedway's discretion.
